

The Climate Registry

## Statement of Intent

\_\_\_\_\_ commits to join The Climate Registry as a:

(Organization)

**Climate Registered Member**

Checking this box indicates your organization intends to third party verify and report their North American or global greenhouse gas (GHG) inventories to The Registry, and achieve Climate Registered™ status. Your Climate Registered inventory will be an essential tool in managing your carbon risks, reducing your energy costs, and providing credible environmental data to your stakeholders. It is also the basis for applying for Climate Registered Silver, Gold and Platinum status.

Our first reported inventory with The Registry will be for the year: \_\_\_\_\_

**OR**

**Basic Member**

Basic Membership allows organizations to increase their capacity for building a high quality, cost effective GHG emissions inventory by accessing The Registry's tools, expertise, and leadership community. Third party verification and public reporting are not required, but encouraged.

Our first reported inventory with The Registry will be for the year : \_\_\_\_\_ (optional)

**Registry membership includes:**

- Step by step guidance for building a high quality GHG inventory, with technical assistance on GHG measurement, reporting and verification
- License to The Registry's online calculation and reporting software, with unlimited years of reporting
- Training and technical support from Registry staff
- Updates from climate policymakers
- Participation in a community of leaders from industry, government and civil society

**Date:** \_\_\_\_\_, 20\_\_\_\_
