

The Climate Registry

## Statement of Intent Form

\_\_\_\_\_ will report its greenhouse gas (GHG) emissions to The Climate Registry.  
(Organization)

As a Member of The Climate Registry, we pledge to:

- Inventory and report entity-wide direct and indirect GHG emissions according to the guidance provided by The Climate Registry.
- Verify our emissions through a Verification Body recognized by The Climate Registry.
- Report our total emissions through the Climate Registry Information System (CRIS).

Date: \_\_\_\_\_/\_\_\_\_\_/20\_\_\_\_

\* Signatory - Senior climate policy officer (CEO, President, Director, VP)

\*\* Accounts Payable Contact - Receives billing statements, may oversee Registry membership

\*\*\* Technical Contact - Creates and reports emissions inventory reports, receives CRIS access and attends trainings

\*\*\*\* Press Contact - Receives information on communicating Registry Membership and Climate Registered™ status

**Return to:**  
The Climate Registry, 523 W. 6<sup>th</sup> St., Suite 445, Los Angeles, CA 90014 or fax to 213-627-7727

## Annual Fee Structure

### *Commercial and Industrial Organizations with Revenues<sup>†</sup>:*

Over \$2 billion.....	\$10,000
From \$500 million - \$2 billion .....	\$6,000
From \$100 million - \$500 million.....	\$3,500
From \$20 million - \$100 million .....	\$1,700
Under \$20 million.....	\$600

### *Non-profit, Government and Academic Organizations with Budgets<sup>†</sup>:*

Over \$2 billion .....	\$5,000
From \$500 million - \$2 billion .....	\$3,500
From \$100 million - \$500 million.....	\$2,500
From \$20 million - \$100 million .....	\$850
Under \$20 million .....	\$450

<sup>†</sup> Please note: New Members that join during the year for which they are reporting emissions will be assessed the full reporting & membership fee for that year. Members who join in a year before they start reporting will be assessed a pro-rated membership fee based upon the month for which they joined.

#### Organization's Annual Revenue/Budget:

##### Annual Revenue/Budget

- Over \$2 billion
- \$500 million - \$2 billion
- \$100 million - \$500 million
- \$20 million - \$100 million
- Under \$20 million

##### Organization Type

- Academic
- Commercial/Industrial
- Government
- Non-profit

#### First Year of Data to be reported to The Registry:

- 2008
  - 2009
  - 2010
- Prior year\* \_\_\_\_\_  
Historical Data\*\*

\**Prior year:* Reporters can report emissions data for any year from 1990 to present and receive full Registry recognition if the inventory is reported in accordance with to Registry standards and verified by a Registry-recognized Verification Body. Prior years are assessed the full registration fee.

\*\**Historical Data:* Historical Data is data that has been compiled or reported under another GHG reporting program/protocol and is transferred or re-entered in CRIS. Members may transfer or input historic data into CRIS for any year from 1990 to the previous year, as long as there are no gaps in the data and the inventory meets the minimum requirements for historical data.

- **To report or transfer 1-3 years of historical data:** One time fee of 25 percent of a Member's annual reporting fee
- **To report or transfer 4 or more years of historical data:** One time fee of 50 percent of a Member's annual reporting fee

Please provide a 100-word (or less) description of your organization:
